Glenurquhart Care Project

(A company limited by guarantee)

Trustees' annual report

The trustees present their annual report and group financial statements for the year ended 31 March 2018. The financial statements reflect the consolidated performance of Glenurquhart Care Project and its wholly owned subsidiary Glenurquhart Care (Developments) Limited. The trustees' report also complies with the requirements of a directors' report in accordance with the Companies Act 2006.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's memorandum and articles of association, the Companies Act 2006, the Charities and Trustee Investments (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS102") and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015 as amended).

Objectives and activities

The charity's main aim is to further the health and social welfare of the inhabitants of Glenurquhart, Strathglass, Kiltarlity, Abriachan and environs (its "Area of Benefit") and to provide appropriate local facilities.

This year's main objectives were:

1. to own and operate "The Glenurquhart Centre" to continuing high operational standards, and ensure it remains financially sustainable;
2. to continue to develop and maintain partnerships with the Highland Health and Social Care Partnership and others in providing existing services and developing new services;
3. to further develop Dementia and Carer Support services and introduce others;
4. to progress the funding and building of supported housing on the adjacent land; and
5. to further develop links and exchanges with local schools and other organisations.

The Manager and trustees continue to promote the work of the Glenurquhart Centre and GCP within the areas served; and to explore and share ideas that help to enhance the Centre's services.

The trustees have paid due regard to guidance issued by OSCR and the Charity Commission in deciding what activities the charity should undertake.

GCP aims to deliver an excellent service and to encourage more local residents to become involved in their community business and offer their skills/experience/time in developing new initiatives.

Achievements and performance

The charity's Glenurquhart Centre completed its eighteenth year of operation. In March 2018 the mainly high-needs service users attending the Centre remained near the maximum registration staffing capacity.

The Home Care service client numbers averaged from 155 to 200 hours per week during the year to end of March 2018. However, we were not able to agree adequate funding, with NHS Highland, for GCP to continue the Home Care service beyond May 2018. The Home Care Service had fitted in alongside the Day Care Service and the building of GCP's Integrated Care Services Partnership model.

GCP's Integrated Care service has at its core, well established working relationships with GP's, Community Nurses, Social Workers, the Pharmacy, Occupational Therapists, Physiotherapists and other allied professionals.

Glenurquhart Care Project

(A company limited by guarantee)

Trustees' annual report

The Care Inspectorate made an unannounced inspection of the Care at Home service in January 2018 resulting in 'Very good' ratings for their standards. They also gave useful indicators for further improvements. The new Quality Management system has been established for the Centre.

Joint working relationships with Health, Social Work and other agencies remain strong, and include regular 'integrated professionals meetings'. The Centre continues to provide a base and effective link for all community-based staff. This provides added benefit to service users at times when they may require increased support.

The Centre continues to have more service users with complex and higher needs, and to review and add services. Details of all services provided are summarised in the 2018 Information Booklet, and on the Centre's Website. The activity and outings programme for service users continues to be imaginative and well supported by the many skills of volunteers.

The Centre has hosted a Carers Group, providing the opportunity for carers to obtain advice and support and includes much-welcome professional volunteer support.

The management and Directors continue to seek discussions with NHS Highland/Highland Council on possible developments/services which are needed and help maintain the Centre's financial viability.

The catchment area for Centre service users can extend from Drumnadrochit, Glenurquhart and Strathglass to Beauly and Abriachan. The minibus was donated in 2012, but seeks funding for replacement in 2019. It, and the new car bought February 2018 with a generous donation, remain much appreciated and enable GCP to continue to provide transport to the Glenurquhart Centre for Service Users.

Catering by in-house cooking staff continues to be popular and our staff respond flexibly to our service user choices and dietary requirements.

The staff training programme and continuous assessment and reviews continue. This programme includes dementia care, vulnerable adults, carer support, and fire awareness, and working toward Personal Development Award and Manager's awards.

Three new trustee/directors were welcomed during the year. Professional project skills and time volunteered by many others also have been appreciated, enabling the Board to achieve more for GCP. Trustee/directors have attended courses and events useful to maintain effective management and key contacts for GCP.

Donations continue toward the facilities for the Centre and GCP. Much is achieved by the fundraising work of the independent 'Friends of the Glenurquhart Centre', and by funeral donations. The GCP Directors wish to acknowledge and thank the many local organisations and individuals who contribute to GCP. in money and 'kind'.

Paula Cooper, our General Manager, managed the Centre and our wider community Services including our Home Care service until May 2018. and we wish her well as she moves on. We thank her and the staff for their excellent work through a very demanding period.

GCP's Housing Project for 12 supported units, on land adjacent to the Centre, continues to be managed by Susan Clark, and overseen by GCP Subsidiary company Glenurquhart Care (Developments). Planning consents and construction tenders were received by Oct 2017, initial roadworks were done by January 2018 and award of the building contract was intended once adequate funding was considered in place. A start to building was agreed in July 2018.

Glenurquhart Care Project

(A company limited by guarantee)

Trustees' annual report

GCP's Business Plan 2015-20 was reviewed during the year, following an independent report on GCP's operations and business opportunities. The Action Plan updated in 2017 has been progressed by the Manager and Board.

The Centre's Energy system aims to be more efficient and renewables-sourced, using energy efficiency reports and support from Soirbheas' advice and funds. The 11kW solar PV roof system continues to perform well and Centre lighting is being converted mainly to LED, with grant assistance. A further energy efficiency review is planned later in 2018.

The outdoor facilities around the Centre include garden buildings, prepared areas, planters and greenhouse. These are being tended by volunteer and user support. A substantial sensory garden is planned in 2019 when the new housing development is built.

Social & Community Benefit

The directors are required by the Articles to report on the social and community benefits achieved during the year.

Community involvement and interest in The Glenurquhart Centre continues through local fundraising and donations, and our buildings continue to be well used. Volunteer helpers and drivers for the Centre enhance the flexibility for which the Centre is known. The Centre remains a community meeting point by having a 'public welcome' policy, within security considerations, and is a partner in events organised by other local charities for senior citizens. It continues to welcome any visitors interested in this community enterprise.

Good contacts continue with all schools in our area, and with the Glenurquhart Child Care Centre. We have hosted several school 'work-experience' placements and had good lively visits from local Primary School pupils.

Contacts with other Highland community care companies have continued including visits to some of them.

The Glenurquhart Care Project provided an average of 25 employment positions during the year and continues to pay staff at least the UK "Living Wage".

Our social Open Annual Meeting and AGM in November 2017, for all Centre 'stakeholders', was again well attended. The achievements of the Centre's staff were acknowledged then and in other events

GCP Company Membership is now over 170, and we hope to grow this with more publicity and support for the Housing Project.

The independent 'Friends of the Glenurquhart Centre' continues to support and contribute to the Centre's work, and holds a monthly open drop-in coffee morning. Their fundraising continues and has provided many facilities this year extra to those affordable through the Centre's restricted revenue budget, and to help towards special Christmas and other activities.

We thank the trustee/directors David and Neil who stood down during the reporting period, having done much-appreciated long service for GCP, and to Lesley and Susan who stood down since March 2018.

Glenquhart Care Project
(A company limited by guarantee)

Trustees' annual report

Financial review

During the year ended 31 March 2018 the company recorded total net funds movement of +£51,509 (2017: movement +£70,510). This total comprised:

- (i) net income of +£69,777 due to Housing Project restricted grant funds;
- (ii) net expenditure of -£24,914 elsewhere; and
- (iii) net investment gains of £6,646.

The year included continued review of the Centre cost monitoring system and implementing extra staff-restructure, cost saving and income-generation measures from the reviewed Action Plan.

The main factors contributing to the year's net expenditure (excluding Housing Project funds) were;

- (i) the continuing need to increase daycare and care at home contract rates, and in transport and other 'rurality' cost reimbursements during the year;
- (ii) inflation effects; and
- (iii) investment in staff restructuring for the efficiency and future income generation measures.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three to six month's expenditure. The directors had assessed this level to be at least £140,000 but will review this regularly in light of changing expenditure. The directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. Unrestricted funds are currently maintained above this level.

At 31 March 2018 the Total funds held by the charity amounted to £1,053,782 (2017: £1,000,159). This consists of restricted funds of £672,430 (2017: £596,810) and unrestricted funds of £381,352 (2017: £403,349) which include unrealised investment losses of £2,792 (2017: gains of £98,580).

Unrestricted funds represent funds to be used at the charity's discretion. No restrictions have been placed on these funds by the donors. No amount of unrestricted funds has been designated for specific purposes. Unrestricted funds are required to meet the charity's day-to-day activities.

Restricted funds represent funds received for specific charitable objectives outlined by the donor. The restricted funds balance at the reporting date consists of separate funds. A total of £348,349 (2017: £349,115) relates to the Fixed Asset Fund which arose from bequests, donations and grants received towards the construction of the Glenurquhart Centre and subsequent asset purchases for which ongoing restrictions continue to apply. A total of £316,931 (2017: £ 245,040) relates to the Housing Project Capital Fund which represents funding received during the year towards the purchase of land and directly associated legal and professional fees relating to the Housing Project. At the reporting date the land and directly associated legal and professional fees have been capitalised within tangible fixed assets. A total of £1,812 (2017: £2,655) relates to The Care Project Fund which ensures the care project support group can be run at the centre.

The directors consider the company's "free reserves" to be £196,307 (2017: £ 249,613), comprising total unrestricted funds of £381,352 (2017: £403,349), less unrestricted tangible fixed assets of £185,045 (2017: £153,736). Investments are included in "free reserves" as the directors consider that the investment portfolio can be readily liquidated. The remainder of this amount, in excess of the £140,000 referred to previously, could be available for future development projects in addition to ongoing fundraising.

Glenurquhart Care Project (A company limited by guarantee)

Trustees' annual report

Glenurquhart Care Project's Pension Scheme became an auto-enrolment scheme, as per government requirements, from March 2016.

Principal risks and uncertainties facing GCP are

- (1) in negotiating adequate contracts with NHS Highland for our current core services;
- (2) establishing sufficient additional income from other services or donation/grant sources;
- (3) retaining, evolving and adequately training the key personnel;
- (4) maintaining an adequate level of qualified volunteer support for Centre operations and overall management of GCP.

Mitigation of these risks is by regular review by the Board and Manager, including engagement of community and political support as needed.

The Housing Project Manager ensured that the Housing Project produced no significant deficit for GCP during the year. The Directors agreed that £65,000 of reserves would be made available for investment in the Housing Project, which has been partly used. The time spent by GCP Board Meetings on the Project was alleviated by the work of GCP subsidiary Glenurquhart Care (Developments) Limited, established in 2016.

Plans for the future

We continue to explore additional and continued effective uses for the space and facilities of the Centre, with NHS Highland, Highland Council, other Health Services, Support Groups, and other relevant bodies.

We work with the Highland Health and Social Care Partnership (HHSCP) in line with our 'Integrated Care' concept for flexible delivery of integrated care services.

We will continue Grant applications, including to local charity Soirbheas, to provide support for new services. The Business Plan for 2015-2020 and the current Action Plan will continue to be implemented and revised. This includes further staff restructuring in 2018. We intend to further increase our provision of Private Care .

We continue to explore how to assist and encourage 'outreach' initiatives such as Lunch Clubs in our area where support is available. We work with neighbouring local care provision charity "Beaully Cares".

Discussion with NHS Highland continues, seeking to improve funding for our Day Care services for 2018-19-20. Additional services and revenue streams continue to be explored within their Senior Care plans.

Our Home Care Service contract with NHS Highland ceased from mid-2018, but we have explored alternative models for helping deliver such services in our area that could integrate with our Day Care service.

Establishment of a 'Section 22' Bus service, for which registration has been obtained, awaits further assistance promised by Highland Council.

GCP subsidiary Glenurquhart Care (Developments) Limited and the Project Manager continue to manage the Housing Project, on behalf of our Community, Construction started in mid-2018 and the housing units should be available for rental in early 2019. These will be let according to GCP's policy, with aim of GCP becoming a Registered Social Landlord.

Glenurquhart Care Project
(A company limited by guarantee)

Trustees' annual report

Other local needs, which the charity's objects and financial ability enable it to provide, may be considered, through The Glenurquhart Centre or by a separate project.

Development of the website, and rebranding of GCP's services, is planned for 2018-19. We had eight trustees/directors by the end of the financial year. New and existing Members with appropriate skills continue to be encouraged to volunteer their services, and to help GCP develop successfully. Appropriately assessed new Members will continue to be invited to work with the Board with a view to joining it.

Structure, governance and management

The charity is a company limited by guarantee and does not have share capital. The charity was incorporated on 12th April 1995 and was recognised as a charity by the HMRC for tax purposes on 27th April 1995.

The trustees, who are also the directors for the purpose of company law, and who served the charity during the year and up to the date of approval of this report were:

Neil MacInnes	(Resigned 22 November 2017)
Allan Lemon *	
Erik Trelfer *	
Lesley-Ann Inglis	
David Fraser	(Resigned 22 November 2017)
Carolyn Wilson *	
Nigel Fraser *	
Susan Clark	(Appointed 29 November 2017)
Jack Meredith *	(Appointed 24 January 2018)
Bruce Nelson *	(Appointed 28 February 2018)
<i>Appointed after 31 Mar 2018</i>	
Elizabeth Owen *	(Appointed 24 October 2018)

*Trustees in place November 2018

Under the charity's 'Articles of Association' the directors are volunteers elected from Glenurquhart Care Project's (GCP'S) Membership at the AGM, or by directors' invitation, to manage the charity and its projects. Members must be local, or nominated by a local body, and a majority of directors must be locally resident. Glenurquhart Rural Community Association has the right as 'prime support body' to nominate 4 Members.

Amendments to the Articles were approved at the 2017 AGM to increase of the maximum number of directors to 9, to cease the right of Glenurquhart Rural Community Association to be 'prime support body' nominating GCP Members, to limit director's continuous period of service to 6 years, and to ensure an AGM is held annually.

The directors welcome and encourage more people to apply for membership in order to widen the base for electing directors on behalf of the local community. The directors elected all have pre-existing professional or other skills and experience in one or more areas of management, finance, social work, construction and business.

Glenurquhart Care Project
(A company limited by guarantee)

Trustees' annual report

Glenurquhart Care Project's policy, before proposing election/reappointment of any potential directors, is to invite any potential directors to several board meetings to identify the skills/experience they feel able to offer and to acquaint them with documents relevant to the responsibilities of directors. If appointed, their induction advises them of Glenurquhart Care Project's governing documents, the responsibilities of directors, OSCR guidelines, GCP's activities and policies including confidentiality adopted in the operation of The Glenurquhart Centre. After the AGM there is a review of individual directors' roles relevant to their skills. Our induction procedures are reviewed noting current OSCR recommendations.

None of the directors has any beneficial interest in the company. All of the directors are members of the company and guarantee to contribute £1 in the event of a winding up.

Directors hold a Board meeting every 4-6 weeks. The GCP General Manager is invited to attend and report. Our Patron is also invited to attend. Sub-committees of the Board meet to review specific areas including, this year, Finance, Fundraising, NHS Liaison and Housing.

The charity's employed care staff includes the professionally qualified General Manager who manages the operations of GCP and the Glenurquhart Centre, its working contact with outside care/health professionals, and its annual budget. One director is delegated to manage and review the manager's employment.

The directors have reviewed and assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company. They are satisfied that systems are in place to mitigate any exposure.

The staff structure has been under review and restructure, to accommodate the changing work-load. The remuneration of the Manager was established by reference to equivalent posts in other social work organisations, and that of other key personnel to a scale developed within GCP over the years.

The directors retain an independent financial adviser, City Financial (Aberdeen) Ltd to assist in managing investments according to GCP's specified medium risk profile. The investments are regularly reviewed to ensure satisfactory returns are achieved and all realised returns form part of the unrestricted funds of the charity and are used in running the day-to-day operations. The directors are satisfied with investment performance to date.

GCP established a wholly-owned subsidiary limited company Glenurquhart Care (Developments) Limited, incorporated 10 August 2016, to manage the Housing Project and, from then, employ the Project Manager. It has 5 directors, two of whom are also directors of GCP.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The trustees' report was approved by the Board of Trustees.

.....
Nigel Fraser
Trustee
Dated:

Glenurquhart Care Project
(A company limited by guarantee)

Statement of trustees' responsibilities

The trustees (who are also directors of Glenurquhart Care Project for the purpose of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) . They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure of information to auditors

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Glenurquhart Care Project
(A company limited by guarantee)

Independent auditor's report to the members of Glenurquhart Care Project

Opinion

We have audited the financial statements of Glenurquhart Care Project (the 'charity') and its subsidiary (the "group") for the year ended 31 March 2018 which comprise the consolidated and charity statements of financial activities (including income and expenditure account), the group and charity statements of financial position, the group and charity statements of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's members, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the group's and the parent charity's affairs as at 31 March 2018 and of the group and parent charity's incoming resources and application of resources, including their income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or the parent charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Glenurquhart Care Project
(A company limited by guarantee)

Independent auditor's report to the members of Glenurquhart Care Project (continued)

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Glenurquhart Care Project
(A company limited by guarantee)

Independent auditor's report to the members of Glenurquhart Care Project (continued)

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's or the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

(A company limited by guarantee)

Notes to the financial statements
for the year ended 31 March 2018

1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

(a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

(b) Preparation of the accounts on a going concern basis

At the year end the group had cash reserves of £38,790. In what is a difficult climate for charity funding the trust continues to maintain its uncommitted reserves in line with the trustees' stated targets and the trustees consider that the trust has sufficient resources to continue operations for the foreseeable future. On this basis the charity and group are a going concern.

(c) Group financial statements

The financial statements consolidate the results of the charity and its wholly owned subsidiary on a line-by-line basis.

(d) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably.

Gifts donated for resale are recognised in the accounts at the full resale value at the point at which they are sold.

Glenurquhart Care Project
(A company limited by guarantee)

Notes to the financial statements
for the year ended 31 March 2018

(e) Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably.

In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the trustees' annual report for more information about their contribution.

(f) Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

(g) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Trust's work or for specific projects being undertaken by the Trust.

(h) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of commercial trading and costs associated with the fund-raising activities of the charity.
- Expenditure on charitable activities includes the costs of activities undertaken to further the purposes of the charity and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

(i) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance and governance costs which support the Trusts charity programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 8.

Glenurquhart Care Project
(A company limited by guarantee)

Notes to the financial statements
for the year ended 31 March 2018

(j) Tangible fixed assets

Fixed assets are capitalised at cost and are depreciated over their estimated useful economic lives as follows:

Freehold land/Assets under construction	Not depreciated
Freehold buildings	2% straight line
Office equipment	25% straight line
Fixtures, fittings & equipment	25% straight line
Motor vehicle	25% straight line

(k) Stock

Stock is included at the lower of cost or net realisable value.

(l) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(m) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(n) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

(o) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

(p) Pensions

The pension costs charged in the financial statements represent the contributions payable by the charity during the year.

Deferred income includes an amount of £nil (2017 - £85,017) received in advance from NHS Highland as part of a contract to provide daycare, in the next financial period.

Deferred income also includes £nil (2017 - £8,100) received from The Voluntary Sector Development Fund to fund the training of certain employees for which the entitlement is deemed to be met in the next accounting period.

22. Restricted funds – group & company

The funds of the charity include comprising the following unexpected balances of donations and grants held on trust for specific purposes:

	Movement in funds			
	Balance at 1	Income	Expenditure	Balance 31
	April 2017			March 2018
	£	£	£	£
Fixed asset fund	349,115	7,330	(8,096)	348,349
Housing Project Capital Fund	245,040	71,891	-	316,931
Daycare activities	-	6,346	(1,008)	5,338
Care Project Fund	2,655	-	(843)	1,812
	<u>596,810</u>	<u>85,567</u>	<u>(9,947)</u>	<u>672,430</u>

The Fixed Asset Fund arose from bequests, donations and grants received towards the construction of the Glenurquhart Centre and subsequent asset purchases.

The Housing Project Capital Fund recognises restricted funding received towards the purchase of land for the development project. At the date of the financial statements the project is at the planning stage.

Daycare activities are small grants and donations received in respect of certain activities undertaken as part of the day to day activity of the Glenurquhart Centre.

The Care Project Fund recognises funding received from the Highland Third Sector Interface towards running a care project group.
